INTELLIGENCE CHAPTER
District of Columbia Department
RESERVE OFFICERS ASSOCIATION OF THE UNITED STATES

1934 38th Street, N.W.
Washington 7, D.C.
13 February 1947

Dear Sir:

The February meeting of the DC Intelligence Chapter of the Reserve Officers Association will be held on Tuesday evening, 18 February 1947, at 8 PM at the Officers Club, 1400 New Hampshire Avenue (one block south of Dupont Circle). The speaker of the evening will be Lt. Colonel C. W. Shuler, USMC, who was F-2 of the Amphibious Forces, US Pacific Fleet, from August 1943 to October 1945. He is presently a member of the Intelligence Staff of the National War College. He will talk on amphibious intelligence.

In view of the intense interest expressed by the members of the Chapter at the January meeting in the subject of national intelligence, there will be a discussion from the floor concerning this subject at the February meeting. I have appointed a committee to lead this discussion. To facilitate and to provide a partial basis for the discussion, this committee has drafted the enclosed check list of points to be considered. It is hoped that whatever agreement is reached by the Chapter on this and other topics connected with national intelligence may be formulated into a Chapter resolution for transmission to the Executive Director of the ROA as a proposed draft for an ROA recommendation to the Armed Services Committees of the Senate and the House of Representatives.

The final draft of the Chapter's Constitution was adopted unanimously at the meeting on 15 January 1947. The attention of all is called to the fact that no guest is allowed at Chapter meetings who does not have the basic qualification for membership in the Chapter as prescribed in Article VI of the Chapter Constitution, namely, honorable war-time intelligence experience, or a reserve commission in intelligence, or present employment in a government intelligence agency.

Sincerely yours,

PAUL A. NEULAND
Lt. Colonel, MI-Reserve
Chapter President

Enclosure: Check List.
